

## Top Ten signs you might be an FC owner

10. you get insulted when people ask if it's a Porsche.
9. you've ever melted a muffler.
8. you have to slam the door to open the hatch.
7. you have a blown engine... and can still cruise at 100.
6. you worry about your ports opening after you've upgraded your exhaust.
5. you have \$5000 under the hood... and the stock stereo.
4. you've ever looked for the fuel cut switch on a friend's car.
3. you shudder when you hear the phrase "pulsation damper"
2. tailgaters briefly glow orange, then back off.
1. when you first heard about the 3800 hesitation, you thought it was hesitating to spend another \$3800 on it.
