

## Top Ten signs you might be an RX-7 owner

10. most of your friends don't even know you have a car.
9. you can debate for hours about premix and synthetic oil.
8. you carry a fire extinguisher, have used it, and still drive the car.
7. you honestly don't understand why people slow down for left turns.
6. you can stand behind a running RX-7 without feeling like you've been maced.
5. you've stopped wearing cologne because the exhaust smell overpowers it.
4. you have a habit of checking the gas and filling the oil.
3. you go through a drivethrough and ask your cupholder what they want to eat.
2. you watch your gauges and glance at the road.
1. the bus drivers know you by name.
